Project Experience

◆ Portfolio Website

Designed and developed a responsive personal portfolio website featuring dark mode, animations, and modern UI design using HTML, CSS, and JavaScript.

◆ UI/UX Mobile App Design

Created wireframes, prototypes, and UI components using Figma for a mobile application focusing on usability and accessibility.

◆ Digital Illustration Project

Produced creative digital illustrations for personal and academic projects using Adobe Illustrator and Photoshop.

◆ Educational Comic Project

Developed an educational comic explaining photosynthesis using Ibis Paint X and Canva.
